

Chad Cargill

ACT Prep Workshop

hosted by Northeast Tech

Sept. 20 | 9 a.m. - noon | Pryor Campus | 918-825-5555
Oct. 16 | 9 a.m. - noon | Afton Campus | 918-257-8324
Nov. 12 | 9 a.m. - noon | Kansas Campus | 918-868-3535

Do you need a few extra points on your ACT to earn scholarships or get into college? Then this workshop is for you! This is the **ONLY** workshop given by someone who took the ACT 18 times and increased his score from a 19 to a 32. The workshop covers what will be on the test and how to master successful testing techniques.

This is **NOT** a practice test, but the workshop does cover general ideas about each of the sections on the ACT:

- **English** - learn what the test-makers are looking for and the relevant rules.
- **Math** - learn formulas and rules to answer virtually every question.
- **Reading** - learn strategies and three methods for taking the comprehension section.
- **Science** - learn common question types and strategies for science reasoning.

How do I enroll?

1. Reserve your seat by calling the campus at which you'd like to attend - see the numbers listed above.
2. Bring your payment of \$30 on the day of the class. Cash or check only; checks payable to Chad Cargill.
3. An ACT Test Prep book will be available for purchase at an additional cost of \$20.
